ROLLING  
CIRCUS®**

# THE CIRCUS

Lion Rolling Circus is a freak and alternative circus born in 2009: the home we built for ourselves a group of outsider artists, whom the society excluded and the natural selection couldn't dismiss. Our circus meets up with rock, not as a genre but as a lifestyle, a way of being itself, without boundaries nor fashions. We don't inhabit any timeline, but all of them.

Edgar Allan, Sexy Sadie, Ruby, Silverfuck & Jellybelly, Mr. Trampoline and Tora Tora are the permanent staff and they could build an atomic bomb if they wanted to. Their experiences are diverse and marginal, a troupe of characters very different from each other but who complement each other alchemically.

We create paraphernalia to boost the smoke experience, taking it to another level. We care about the quality of what we make and consume: we want only the best. Fine, functional and also beautiful products to honor the ancestral act of smoking. The gourmet and elegance combined with the trashy, results in this circus where the desire for pleasure is the motor of creation.

We're an argentinian brand of exportation, with presence in countries like USA, Brazil, Uruguay, Chile, Colombia, Peru, Mexico, Guatemala, Spain, Netherland, Portugal, Germany, Luxembourg, Czech Republic, Ireland, South Africa and more, we're always expanding our horizons and taking the circus to new places. We participate in cannabis fairs here and there, making friends everywhere. We consider ourselves beyond borders and we're fans of shorten distances, we're united by something boundaries can't determine.

## THE STORY OF THE CIRCUS

Lion Rolling Circus is high-quality paraphernalia but also a lifestyle, because what we do is strongly influenced by the culture around us, of which we feel part: the tradition of rock, the spirit of reggae, the ritualistic of electronic beats, the soul of street art and also the digital era.

In addition to our permanent product catalog, we love teaming up with friends and artists to create unique and exclusive co-brandings and collaborations, limited collectible editions that have an artistic concept. Then, the creative exchange is what keeps in movement the spirit of the circus. What we want to tell you is that Lion Rolling Circus was crazy from the beginning, and what has always oriented us is the aim for making the universe of this circus richer and welcoming.

As you may have noticed, we're not a company that needs to pretend what it's not. We celebrate smoke but we don't sell smoke. We don't like the "corporate" format that many companies love adopting. We're who we're and we make what we can, but we do it good because we know what this business is about. Every Lion Rolling Circus item is carefully thought to level up the smoker experience, in an aesthetic but also functional way. Our search is to create excellence, from the roll up to the ashes. We're people like you who love to smoke and let the mind fly away. And if there is something we know clearly is that the bigger the joint, the bigger the adventure.

HE WAS BORN IN THE MEXICAN DESERT FROM A NATIVE YAKI WOMAN, FROM WHOM HE INHERITED SOME SORCERY SKILLS. HE PLAYS GUITAR BUT HE IS ALSO A DJ AND IS ABLE TO LITERALLY PUT THE AUDIENCE IN A TRANCE THROUGH THE MUSICVIBES, TONES AND TIMBRES WHEN HE TAKES CONTROL OVER THE PULPIT ON STAGE. HIS UPPER PAIR OF EYES ARE MADE OUT OF RARE STONES AND IS ALWAYS FLIRTING WITH THE IDEA OF COMPLETELY ELIMINATE HIS VISION TO FEEL MUSIC AS A WHOLE MYSTICAL EXPERIENCE.

HE WAS DROPPED IN A BASKET IN A CALIFORNIA SUPERMARKET PARKING LOT. RAISED IN AN ORPHANAGE, HE WAS MEANT TO BE A CATHOLIC PRIEST. THEY SENT HIM TO IRELAND TO STUDY THE HOLY SCRIPTURES BUT HE FELL FOR LENNON, JAGGER AND HENDRIX WRITINGS INSTEAD, AND BECAME A GUITARIST. AN ELECTRIC DISCHARGE DURING A SHOW UNDER THE RAIN RUINED HIS FACE, SO HE CONVERTED INTO A TYPICAL INTROVERTED BASS PLAYER. HE CAN RECITE ALL MR. POE POEMS BY HEART.

SHE IS A TYPICAL NORTHERN EUROPE DAUGHTER, AND AS A TEEN SHE USED TO SHAVE HER BEARD TWICE A DAY. AFTER BEING CROWNED AS A BEAUTY QUEEN SHE QUIT THE SHAVING HABIT AS A STANDING AGAINST SEXISM. SINCE SHE WEARS A BEARD, SHE ALSO BECAME AN ANTI-BULLYING AND VIOLENCE AGAINST WOMEN ACTIVIST. SHE MADE UP A MYTH AROUND HERSELF: SHE WAS BORN FROM A VIRGIN MOTHER. WHEN SHE SINGS, MAGIC FILLS THE SPACE AND EVERYTHING SEEMS TO ROLL IN SLOW MOTION.

BORN IN THE FORMER SOVIET UNION, THEY WERE RAISED BETWEEN MARSEILLE AND LIVERPOOL, WHERE THEY LEARNED EVERYTHING ABOUT BECOMING SEAMEN. LIKE SIAMESE LEGENDS CHANG & ENG, THEY ARE STUCK THROUGH A CARTILAGE, WHICH MEANS THEY ARE TWO GUYS IN ONE BODY, SHARING ONE REPRODUCTIVE ORGAN THAT TURNED THEM INTO A SEXUAL MYTH. THEY ARE FORCED TO LIVE IN PERFECT SYNC, THAT IS WHY THEY PLAY DRUMS SO FINE.

HE WAS RAISED TO BE SERVILE BUT FORTUNATELY HE TURNED OUT TO BE REBELLIOUS. HE WAS REALLY GIFTED AT THE PIANO, BUT LACKED OF TIMING AND BEHAVIOUR. LEFT BEHIND. OR IGNORED. HE GOT IN TROUBLE WITH THE WRONG PEOPLE. HAVING NO RELIGION. HE DO HAVE FEW BELIEFS: A LANTERN TO ENLIGHTEN HIS PATH FOR TRUTH AND AN OWL WHOM TO CATCH SOME WISDOM FROM. HE MAY HAVE FOUND IT WHEN HE INHERITED A NASTY CIRCUS. HE TRANSFORMED INTO THE LION ROLLING CIRCUS.

HER NAME TALKS LITERALLY ABOUT HER PERSONALITY: SHE'S A SUDDEN ATTACK. SHE CARRIES ON HER DNA THE SECRETS OF THE RISING SUN LAND. SHE MOVES AND LIVES IN A CAT - LIKE FREQUENCY. SHE'S PATIENT, HALF FEMME FATALE AND HALF NERD. SEDUCTIVE AND CALM AT ONE TIME. ESSENTIALS FOR WINNING THE TRUST OF A BEAST. SHE CEASTAINLY KNOWS THAT EVERYTHING DEPENDS ON THE ANIMAL'S HUMOR. MEANWHILE, SHE BUYS TIME AND ENTERTAINS EVERYBODY ELSE. SHE'S ONLY CERTAIN ABOUT ONE THING: THE LION WINS AT LARGE.
